★ EXPERIENCE

Amazon, Manchester

On a daily basis I was going through a van-inspection for all the drivers before they start their route. Responsible for monitoring drivers during their work shifts and making sure to help if any problem would occur. Allocate and organise the routes to the drivers. Deal with customer complaints and requests.

DHL, Manchester

On a daily basis I had to organise and allocate parcels to the drivers. Going through daily inspections and vans maintenance. Monitoring and help drivers with any problems or requests. Lead the drivers team and deal with DHL's fulfilment centre.
